About the Internship

- Tasks include Community Management, Business Analysis and e-Marketing.
- Offices located in the heart of Miami Beach.
- \$1000 + contribution for the housing.
- 6 to 18 months.
- Job placement opportunity at the end of your internship.

About mydistrikt

An application for those who love their place

Whether one is a student at the Sorbonne, a firefighter in Loveladies (New Jersey), a blogger in Melbourne, an app hunter in New Delhi or a cat breeder in Berlin... we all have things to share about our neighborhood, our city, our "distrikt".

mydistrikt is a new type of social media. On mydistrikt, you can create your world. It can be your building (shared with neighbors), your street, your city or even the entire coast (for the lucky ones who are close to the sea)... share your best pictures, tips and whatever you feel with whomever you want to. For free!

mydistrikt founders are 3 French guys living in the US.

Your Profile

- You love everything digital. You have 100 apps on your smartphone. You are always connected.
- Autonomous, professional and reliable.
- Passion for social media and the web.
- Curious about new technologies, and comfortable working in a team environment.
- Good writing skills.
- Fluent English.
- Business Schools, Digital background...
- Experience in a marketing or communication branch of a business/agency.
- Or just because you are so cool and talented that we cannot not hire you.

- Motivated and able to contribute your own ideas.

Tasks

- Managing the social media platforms.
- Business Analysis: drive up marketing performance, and create relevant user experiences on a massive scale.
- Coming up with creative ideas on how to promote the app.
- Help and advice our users through different communication channels.
- Participate in our marketing campaigns.
